

## GAFFERS TAPE:

A cloth tape having a matte vinyl finish and a rubber based adhesive. Use for bundling cables, covering seams in platforms and scenery, temporary fastenings of connectors, mounting light-weight lights to walls, holding down and seaming portable dance floors, etc.. The cloth base of this tape provides strength and allows it to easily conform to surfaces. The rubber based adhesive will adhere well to most surfaces, yet not leave large amounts of adhesive residue when removed. Roll size is 2" or 3" wide by 60 yard long. Available in stock colors of Black, Grey, and White. Other colors and widths available on special order. Case size is 24 rolls for 2" width, and 16 rolls for 3" width.

Cat. No.	Description	Qty. 1
PC628-2"	Gaffers Tape, 2" Wide.	\$ 30.00

## STAGE TAPE:

A quality duct tape with a gloss polyethylene finish and economy adhesive. Useful for temporary applications in bundling cables, throwaway scenery, identification markings, or even sealing air ducts. Unlike many cheap duct tapes, our stage tape is reinforced with a cloth net to provide strength, making it an excellent value for temporary usage. Roll size is 2" wide by 60 yard long. Available in stock colors of Black, Grey (silver), and Blue. Other colors on request. Case size is 24 rolls.
