MICRO SPOTS:

Compact spot and flood lights are excellent for accent lighting of video sets, displays, convention exhibits, floral arrangements, club lighting, and small theatres. Micro-Ellipse and Master-Ellipse can also project static and rotating gobo pattern images onto walls, ceilings, floors, or backgrounds. Some models can be equipped with adapters for commercial lighting tracks and Altman's Smart Track system for display applications. Standard housing colors are black, white, or silver. Custom colors are available on request.

MICRO-ELLIPSE:

Miniature ellipsoidal spotlight uses 75 watt EYC 12 volt MR16 reflector lamp with 25° to 50° zoom optics. Includes four integral framing shutters and two adjustable lenses for sharp or soft focus. The extruded aluminum body has an accessories slot for a pattern holder or a gobo rotator. Use optional pattern holder and 1.5" dia. "E" size steel or glass gobo patterns to project visual images. Includes a 5' cord with molded Edison plug, color frame, mini 18" safety cable. A dimmable electronic step-down transformer is mounted on the yoke. Also available for 277v with no plug. Altman brand. Specify housing color -* when ordering: BK= black, WH = white, SL = silver.

ME-120-*	Micro-Ellipse spotlight, for 120 vac, specify color	\$ 244.00
EYC	Lamp for Micro-Ellipse, MR-16, 75 watts 12 volt, 42° flood.....	\$ 4.50

MASTER-ELLIPSE:

Miniature ellipsoidal spotlight uses a special CDM (ceramic metal halide) enclosed arc lamp inside an ellipsoidal reflector to produce brighter images and longer throw distances than the Micro-Ellipse. CDM lamp life is astounding 12,000 hours. Models for use with 39, 70, or 150 watt CDM lamp. CDM lamp is not included with the light. Lamp is **not dimmable** and requires a warm-up time to reach full brightness. The extruded aluminum body has an accessories slot for a pattern holder or a gobo rotator. Use optional pattern holder and 1.5" dia. "E" size steel or glass gobo patterns to project visual images. Includes a 5' cord with molded Edison plug, color frame, mini 18" safety cable. CDM lamp is not included with the light. An electronic step-down transformer is mounted on the yoke. Also available for 277v with no plug. Altman brand. Specify housing color -* when ordering: BK= black, WH = white, SL = silver.

MAC-70-*	Master-Ellipse spotlight, 120 vac, for use with 70 watt CDM lamp ..	\$ 244.00
MAC-150-*	Master-Ellipse spotlight, 120 vac, for use with 150 watt CDM lamp ...	\$ 567.20
CDM70/T6/830	70 watt CDM lamp 3000K color temp	\$ 51.25
CDM150/T6/942	150 watt CDM lamp 3000K color temp	\$ 53.50

ACCESSORIES FOR MICRO-ELLIPSE AND MASTER-ELLIPSE:

MSPIN	Dual gobo rotator fits into accessories slot. Spin 2 gobos counter rotating or 1 in one direction. Plug-in power supply (120 vac) on cord has 7 position switch to control rotation speed, or connected to an external AC dimmer. Can be used with one or two "E" size steel or glass (max. 1.75 mm thickness) gobos. High quality DC geared motor with quiet belt drive. Link to data sheet	\$ 360.00
MAPH-G	Pattern holder for "E" size glass or metal gobos. Hinged and spring loaded. Has 1.25" opening.....	\$ 14.40
MA-DN	Black metal donut with 1.75" opening fits into color frame holder to sharpen image.....	\$ 8.00
ME-CT	Set of 2 circle templates (4 graduated opening sizes).....	\$ 14.40
MBD	Barndoors, 4 leaf, black	\$ 10.40
MA-SN	Snoot, to reduce stray light	\$ 12.10
Micro-SN	Adapter snoot for use with glass color filters	\$ 57.60
MCFB	Color frame, black, 3-3/8" x 3-3/8" (included)	\$ 5.00
MSC	Mini safety cable, 18" black (included).....	\$ 5.00
510-F	Clamp, light duty steel with 5/16" bolt, fits 1/4" to 1" pipe	\$ 8.80
510	Clamp, malleable iron, with 1/2" bolt. Fits 3/4" to 1-1/2" pipe	\$ 10.40
F-SAS	Combo stand adapter, with 1/2" bolt. Fits onto 5/8" lighting stud or stand top, or into 1-1/8" lighting stand socket	\$ 25.60
TLA-	Track lighting adapters (factory mounted) for some model Lightolier, Halo, Eco, and Global lighting tracks are available	\$ POR
Canopy	Factory installation of spotlight installed on an electrical box canopy cover, for direct wiring.....	\$ 32.00
CoilCord	Factory Installed 2'-7' coiled cord with molded Edison plug, for display or exhibit use.....	\$ 40.00
Unistrut	Plate to attach spotlight to Unistrut or similar metal strut. Required hardware (nuts, bolts, etc.) are not included.....	\$ 20.00
	Installed male 20A stage pin plug.....	\$ 23.00
	Installed male 15A molded Edison plug, included with fixture	\$
	Installed male 20A Twist-lock plug	\$ 27.00
