Spectra Star Par LED Wash:

The rugged die-cast aluminum housing of the Spectra Par with a 100 watt LED light source. Silent convection cooling. Choice of 4 LED light sources: RGBA (red, green, blue, amber), RGBW (red, green, blue, white), 3000K white, or 3000K to 6000K adjustable white. Available as pipe mount or for use with the Altman Smart Track. The fixture can be quickly changed from a spot to medium to flood by inserting one of the 4 included glass lenses for a light beam from very narrow 6 degrees to an oval wide flood of 18 x 41 degrees. Optional very wide flood lens produces a beam of 56 deg. by 56 deg.. Low friction, hi-temp lens holder with plastic handles can fully rotate the lens to adjust the light beam. The front accessory holder has 2 slots to handle a color frame and a barndoor, and a self-closing, locking retaining latch for safety. A rear-mounted handle serves as cord wrap and focusing aid. Not intended for use outdoors. Standard color is black. For white or silver, replace -B at end of catalog number with -WH=White or -SL=silver

DMX-512 control in/thru using 5-pin XLR connectors on 6' pigtails, so fixtures can be daisy chained up to 12' apart with out any additional DMX cables. RDM compliant. Rear control panel with multiple on-board control options of dimming. Internal power supply is self-adjusting for 100 V to 240 V 50/60 Hz.. ETL, cETL, and CE listed for indoor use. Altman brand.

Spectra Star Par DMX control:

Standard model with on board DMX control of dimming. DMX-512 control in/thru using 5-pin XLR connectors on 6' pigtails, so fixtures can be daisy chained up to 12' apart with out any additional DMX cables. RDM compliant. Rear control panel with multiple on-board control options of dimming. Internal power supply is self-adjusting for 100 V to 240 V 50/60 Hz.. ETL, cETL, and CE listed for indoor use. Fixtures includes safety cable, and a 6' black power input cable with 15A Edison plug, and 6' DMX in/thru control cables. Power can not be daisy chained. Fixture housing is standard black. For optional white or silver color housing, change -B at end of catalog number to -W for white, or -S for silver when ordering. White fixtures are shipped with white power cable.
